

Greetings,

As you may or may not know I am a Rotarian, and a member of the Rotary Club of Calgary South.

Rotary is a worldwide organization of over 34,000 clubs (and 1.2 million members) who's main objective is service - in the community and around the globe. We raise funds and support many local and international charities including (in no particular order):

Between Friends
Calgary Woman's Emergency Shelter
Can Learn Society
Children's Cottage
Community Kitchen of Calgary
Cornerstone Youth Centre
St Mary's High School
Providence House
Distress Centre
Carewest Sarcee Home
Rotary Flames Foundation for Life
Homefront
Hospice Calgary
Mustard Seed

The Salvation Army
Ronald McDonald House
Kerby Centre
Rotary Youth Exchange
Rotary Challenger Park
Hospice Calgary
Hull Child & Family Services
Feed the Hungry
Kids Sports Calgary
Meals on Wheels
Wood's Homes
Hotchkiss Brain Institute
Youth Unlimited Calgary
.... and MANY, MANY more.

The Rotary Club of Calgary South's major fundraising initiative takes place each July during the world famous Calgary Stampede. Our members, partners, families and friends help us raise money by selling tickets to the Rotary Dream Home and Split 'Em 50 lotteries from booths throughout the Stampede midway.

***** This is where you can help. We are looking for volunteers to help us sell tickets (or alternatively, to enter the purchaser's information into the computer so the buyer doesn't have to "hand write" their name on each ticket). You can volunteer for one shift, or more, all help is greatly appreciated.**

Each shift runs approx. six and a half hours on pre-determined days. We will provide everything you need including FREE gate admission to the park, sandwiches, and drinks. We'll do our best to schedule your shifts on a date and time of your choosing. Ticket sellers must be 18 years or older, ticket printers should be 14 years or older.

If you think you might be interested in helping us out, please let me know by return email or telephone so I can provide you more details.

Thank you,

PS: This project is a lot of fun, is not physically demanding, and raises a lot of money for the various charities and projects we support. Please let me know if you would like to help.
